CRADLE TO ENGRAVE (463) 710-2378 sales@cradletoengrave.com

HOW IT WORKS

- STEP 1.** Print this Presentation Package and get Approval to organize this fundraiser.
- STEP 2.** Get back with us to discuss creating your custom fundraising package and logo submission or design. Custom Logo Design is \$25.00 for less than 40 Tumblers ordered.
- STEP 3.** We design Custom Flyers / Order Sheets for your specific fundraiser that can be picked up or delivered within a few business days.
- STEP 4.** Distribute Flyers to each participant and Run the Fundraiser until your Specified Deadline. Then collect all money and order sheets and tally the totals. (You, "The Organization" are responsible for All Money, cash, checks, etc. collected by fundraiser participants.)
The \$5.00 Personalization option is in addition to the base Net Price
For example, the 30oz Tumbler is \$28.00 Retail (Net Price \$18.00), if the Buyer wants to Personalize the opposite side they pay \$33.00 Retail and your Net Price increases to \$23.00
- STEP 5.** Send us All the Original Order Forms (We suggest making copies prior to this) Include the Total Tally Sheet that was provided in your package. You will then make payment via Check or Credit Card for your order. Once everything is finalized we will produce the tumblers and box them according to each order sheet which will be returned with the finished product for Easy Distribution.
***Production Time is usually around 10 Business Days from Finalization.**
- STEP 6.** Sit back, Relax and Enjoy all the money you Raised for your Organization!
